

SM+D has emerged to be a prominent name in the field of design and architecture in the Middle East region, recognized for its unique ability to both create and deliver projects of distinction that speak volumes about our expertise in architecture and interior design. Since inception, we believed in a very simple work policy, that is to deliver quality product and well within the time frame. In a decade's time, the biggest groups have recognized SM+D as one of the most dynamic firms in the field of design.

We have fully functional offices in Dubai, Bengaluru and Hyderabad in India. sm+d has vast experience in diverse sectors including Retail, Corporate head-quarters, Office buildings, F&B, Healthcare, Hospitality, Multi-family housing, Educational facilities, Industrial projects, etc.
